About these properties:

The Lakeside and Conference Village and West Keystone areas are the older areas of Keystone Resort. Lodging units in these areas are more likely to have twin bedding in the second and/or third bedrooms. Two-bedroom units and above will have 1.5 to 2 bathrooms in the unit. Parking in these areas may be covered or uncovered and have only one vehicle per unit allowed. Some of the two story properties may not have elevator access to the second floor. These properties are a short shuttle to the area.

The River Run Village units will only have one bed per bedroom. The bedding will be either King or Queen beds. Covered parking may be available at certain properties for one vehicle per unit at a parking fee. Two-bedroom and above units will have 1.5 to two bathrooms. Some units may have an additional half to whole bathroom. There is parking available in outside lots. **(NBS is seeking twin beds for some units.)** River Run properties with few exceptions are elevator buildings. These properties are as they describe a “long walk” to the gondola.

Maximum occupancy is the maximum number of people allowed in rooms. Most of the units with the exception of hotel rooms, include sofa sleepers or Murphy beds in the living area. The NBS does not include sofa sleepers in the maximum occupancy count. Keystone Resorts does not include sofa sleepers or Murphy beds in the maximum occupancy count either.

A king or queen size bed is counted as two pillows or two people to the bed. Twin beds count as one pillow or one person to the bed.

This is short notice but **please let me know** if you want or are interested in obtaining NBS lodging by **Wednesday, August 14, 2025**. Lodging opens on Friday, August 15th.

And yes, there are no studios listed by I can inquire about their availability.

If NBS Lodging is your sticking point, your feedback is needed. If uncertain about lodging, tell me what you might want so I can try to get that unit on Friday, August 15th when the lodging link opens. While you make your decisions, there is a small window where units can be cancelled without penalty.
