## SGSC Jetliner General Information!

**Transportation**—As in the past, club members are responsible for making their own transportation arrangements unless a group rate is available.

**Trip Pricing & Payments**-- Jetliner *trip pricing* will really be about **lodging, and transfers** where needed. Winter Park may be the only exception. Zelle payments for Jetliner trips will not be available at this time. Checks, money orders, PayPal and credit cards will be acceptable forms of payment.

**Lift Tickets**--NBS Summit 2024 and all other Jetliner trips will be at **IKON pass ski areas**. Based on the number of days you plan on skiing this season, it may be cheaper to purchase an IKON pass than to purchase lift tickets at the area. The NBS has arranged **discounted rates** for the **IKON pass** which are **available through September 1, 2023.**

**Instructions on obtaining this rate are on the last page** of this publication.

## Pack Your Black-Eyed Peas!!!

### It's a New Year's Eve Celebration on the way to Winter Park!

For those who choose to celebrate the incoming New Year in two time zones, this trip to Winter Park is for you! On December 31<sup>st</sup>, at 2:00pm Amtrak's California Zepher Train # 5, we will depart Chicago's Union Station(CHI). While in route to Winter Park via Fraser-Winter Park(WIP), Colorado, we will celebrate the New Year in both the central and mountain time zones.

The train will arrive at Fraser-Winter Park at 10:02am on New Year's Day. Taxis will take us to our fully equipped two-bedroom units at the Beaver Village Condominiums which are two blocks from the town of Winter Park and on the free ski shuttle route. An indoor swimming pool, sauna and/or steam room are available on the property.

After four days of skiing at Winter Park Resort or relaxing and enjoying the town of Winter Park and maybe the nearby hot springs, on Saturday January 6, 2024, we will taxi back to the Fraser-Winter Park train station to board the California Zepher Train #6 at 3:50pm returning to Chicago's Union Station at 2:50pm on Sunday, January 7, 2024.

This trip costs \$983.00 which includes lodging (\$715.00 per person) based on four people to a two-bedroom unit, and Amtrak coach train value fare (\$268.00 round trip) \* for those who wish travel by rail.

#### Why is this a good trip?

1. It will be different and fun! Ski for four days at Winter Park Resort! Relax and enjoy the town, its restaurants, shops, go tubing, snowmobiling and maybe a side trip to the hot springs a short distance away! Just do it all!!!!
2. \*Amtrak fares rates vary with seniors possibly qualifying for discounted fares and children between the ages of two and twelve travel at 50% off the adult fare.
3. Families can go skiing and the kids won't miss school. Most Illinois schools resume classes after Winter Break on January 8, 2024.
4. For those who choose to fly into Denver and rent a car, there is complimentary parking at Beaver Village Condominiums. Roundtrip transfers from Denver will be \$146.00.
5. As long as the condo price (\$2860.00) is covered, you can have as many as six people in the unit or as few as two or even one. It's up to you, your condo mates/friends, wallet(s)/credit card(s) and budget.
6. Parents, if you want to shorten the trip, reduce the price, and return on January 5<sup>th</sup> to get the kids ready for school, that's doable if everyone in your unit agrees with the departure date.

#### What will it take to make this happen?

A deposit of \$178.75 per person times four(\$715.00) or a deposit of \$715.00 for the entire condo locks in the unit at this price and it can be booked for you. Final payment is due December 8, 2023. Yes, these prices are available now but as we get closer to the ski season, prices are subject to change or may not be available! The same goes for Amtrak, as the train fills up, the prices go up! So, make your decisions, deposits, and purchases as soon as possible!

Unfortunately, there are no SGSC meetings until September 19<sup>th</sup> and Zelle is not available currently. Call or text to arrange payment! Checks, money orders and cash payments can be made at the prices listed above. There is a 3% service fee for PayPal and credit card payments. If using PayPal or a credit card your payment will be \$736.45 for the condo or \$184.11 per person.

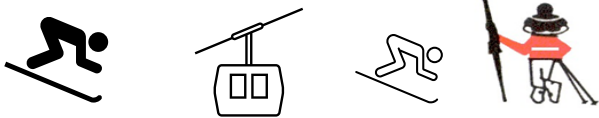

## Steamboat, Colorado

**\*\*January 29<sup>th</sup> thru February 3<sup>rd</sup> 2024\*\***

The cost of \$650.00 per person for lodging based on four people per two-bedroom/three-bathroom unit at Las Casas on the Mountain which is within 250 yards of the mountain and is a ski in/ski out property is great! I am expecting another property—BearLodge-- to become available and would like to present that to you also. It is much more pricey! **What will it take to make this happen?**

A deposit of \$162.50 per person times four(\$650.00) or a deposit of \$650.00 for the entire condo locks in the unit at this price and it can be booked for you. Final payment due December 20, 2023. Yes, **these prices are available now** but as we get closer to the ski season, prices are **subject to change or may not be available!** So, make your decisions, deposits, and purchases as soon as possible! Roundtrip transfers from Hayden/Steamboat airport are \$115.00.

Once again, there are no SGSC meetings until September 19<sup>th</sup> and Zelle is not available currently. **Call or text to arrange payment!** Checks, money orders and cash payments can be made at the prices listed above. **There is a 3% service fee for PayPal and credit card payments.** If using PayPal or a credit card your payment will be \$669.50 for the condo or \$167.38 per person.
