A Brief History.....

SNO-GOPHERS SKI CLUB

1965 - Present

The Sno-Gophers Ski Club is the 3rd oldest ski club in the United States founded by Holmes“Daddy-O”Daylie in 1965. We proudly boast our member, Art Clay, as one of the Co-Founders of the National Brotherhood of Skiers (NBS) and is a member of the Class of 2019 U.S. Ski and Snowboard Hall of Fame!

Every year we travel to destinations in the East, Midwest, Western United States and Europe to ski through our own trip schedule, the Chicago Metropolitan Ski Council (CMSC) and with other NBS regions ski clubs.

The NBS 50th Anniversary Summit was held in Vail Colorado February 4–11, 2023. This event allowed our membership to ski, party and visit with over two thousand members from across the United States and other countries. We strive to provide opportunities for skiing enthusiasts, 1st time skiers and a chance to experience other snow sports while encouraging the participation of our youth.

The Sno-Gophers just don't ski, we camp yearly the 2nd weekend of August at Indiana State Beach in Monticello Indiana, host our annual picnic in July, we go bowling, bike riding, roller skating, attend sporting events and participate in additional activities throughout the year.

May is our time to host our annual club banquet. At this time we acknowledge the accomplishments of our current and new members and share joyful remembrances of past events.

We invite you to join us as well!
